“ A GREAT ENTRY  
OF 11 PILOTS ENTERED  
ROUND 3 AT TMFC ”

# IT WAS AGREED AT PILOTS BRIEFING THAT FROM NOW ON ALL LEAGUE EVENTS WILL BE OVER THREE ROUNDS, BEST TWO TO COUNT AS PER THE SPORTING CODE.

Michael was first up in the sportsman class and scored a great first percentage with Jacques right on his heels. Roehanie struggled some what flying his 'stick' but once he gets the "Groovy" going I am sure this class is going to be very competitive. Round two was also won by Michael, but Jacques lost out with a bad manoeuvre.

The wind had become over 30km at the end of the sportsman second round so we all agreed to just fly two rounds, some not electing to fly two. Just one and drop the second round.

In the Advanced class Jacques Botha finally got his plane finished and joined Cobus, Rory and Peter. Peter showing loads of nerves and lack of practice really did battle. Jacques made great progress from round one and

two but the class battle was between Rory and Cobus. Rory did score a couple of zeros which left the door open for Cobus to win the class. Great scores Cobus.

And finally to the Masters class. Rodney had damaged his plane a couple of weeks before so that only left Stuart, Ernie, Neil and Ozzie.

Neil was the clear winner, not even Stuart could match his first round score. He did slip-up on his second flight but still took the class win. Ernie managed to score a 60, just for third ahead of Ozzie who just needs to spend time at the field with the Bip.

So a short event, some might say the wind not too bad, but at the end of the day we all when home with planes that will fly again. Thanks to Martin and TMFC for the use of there field, to Ludwig, Kas

and again, Martin for judging. The next event, round 4 will be at HRF in May due to the Power Nationals event in April.
