

# **CLASSIC SCHEDULE DESCRIPTION 2022/23**

## **C-22.01 Two Inside Loops**

On centre pull up and perform 2 consecutive inside loops exit upright

## **C-22.02 Two Horizontal rolls**

Perform 2 consecutive uniform 360 deg rotations either left or right exit upright

## **C-22.03 Square Loop**

Perform  $\frac{1}{4}$  loop into vertical up line, then pull through  $\frac{1}{4}$  loop to inverted flight over top, then pull through  $\frac{1}{4}$  loop to vertical down line then pull through  $\frac{1}{4}$  loop to finish upright in same direction that the loop started

## **C-22.04 Cuban Eight with half rolls**

Pull up and perform  $\frac{3}{4}$  loop to 45 deg inverted down line, perform a half roll on centre to upright, then perform another  $\frac{3}{4}$  loop to 45 deg inverted down line, perform a second half roll on centre, exit upright

## **C-22.05 Double Stall Turn**

On centre pull through a  $\frac{1}{4}$  loop to vertical up line then perform a stall turn, at bottom of vertical down line pull through a  $\frac{1}{2}$  loop into a second vertical up line, perform a second stall turn, at bottom of vertical down line pull through  $\frac{1}{4}$  loop to horizontal to exit upright

## **C-22.06 Four Point Roll**

From upright perform 4 point roll either left or right exit upright

## **C-22.07 Double Immelman with half rolls**

Fly past centre and perform a  $\frac{1}{2}$  loop to top with  $\frac{1}{2}$  roll on top after shot level upright flight push through  $\frac{1}{2}$  loop with  $\frac{1}{2}$  roll at the bottom, exit upright

## **C-22.08 Slow Roll**

From straight and level flight perform a slow 360 deg rotation either left or right, exit upright

## **C-22.09 Outside Loop half rolls entry and exit**

Before centre perform half roll to inverted on centre push through a complete outside loop, exit inverted on centre, perform half roll to exit upright
