Time: 18h30

Location: Teams Meeting

Item	Description
1. Welcome	RM welcomed all to the meeting.
2. Attendees:	• Joshua Twomey • Abré Smit • Rui Martins • Neil Twomey • Elaine Martins • Kas Hamman • Daniel Levy • Stuart Nix
3. 2026 Masters Venue Discussion	RM discussed the email received from SN – a few points mentioned: - Mirrors the conversation had with RP and this letter has strong influence from him. - “We need to keep our focus on future and sustainability. This will not be true if we spend more than what we earn. - SN commented to invite unqualified pilots, that don’t get trophies. This was done 2024 / 25 and we were lambasted for doing that. We agreed that we would be more strict on invited pilots’ qualification in our last meeting. KH has again mentioned that he and MK will cover their own travel and accommodation costs to Gariep. AS however, needs funding. Payment for accommodation will only be made as soon as we have concrete numbers of participants. We need commitment from the pilots and entry fees paid at a certain date. An email will be sent to Ewie from Gariep to discuss the landing fees and the reduction thereof. After the meeting, Ewie came back with an amount of R287.50 per pilot. RM and EM are also arranging the documentation required by SAMAA for the organisation of the event and the NOTAM. Documentation was sent to Ewie for completion, which we are still waiting for.
9.Close	RM adjourned the meeting at 19:15.
