25 - 27 FEBRUARY 2022
SMAA - WILD CLOVER

“ WE ARE BACK AFTER COVID CHANGED THE WORLD FOREVER ”

After two years of no competitions, finally we are back to what it used to be like. New and old faces to enjoy the 2021 Western Province Provincial Championships, yes this even was supposed to be held last year but due to Covid and the lack of interest it was postponed to this weekend.

SMAA, Wild clover hosted the event and a big thank you to Nic, Jacques and Craig who made sure the field was in tip-top condition.

The weather was also “on form” stunning blue skies, no wind, lots of sun cream was needed.

Friday was set-up and practice day, with just a couple of guys managing to take time off work to get there fingers working and make sure there planes were working too.

Competition, Everyone arrived on time, which was unusual, Ernie was the only non starter due to work issues. Sportsman pilots, Roehanie in his first major comp and Jack a old time regular.

Roehanie didn’t waste much time in stamping his authority on the class by winning the first three rounds, Jack made a slight come-back on round 4 but the win was Roehanie’s from the start, fantastic and well done.

André was the only Advanced entry and battled with the line and the plane. His first flight was a good one, but the second was a very nervous one and unfortunately his landing

damaged the plane and he was unable to continue.

The big boys Masters class was joined by Gerhard Mitton who had been out for a few years, was back and it top form, in fact so good that he won all four rounds with some excellent flying with the helping guidance from Jacques hand signals. For the rest of the class a close battle between Rodney and Charlie for second and third between Pieter and Charlie. Stuart battled with the Mystery and lack of practice, Jacques and Rory also found the going a bit much.

An enjoyable prize giving lunch was held in the Wijnlanden Uitzicht Restaurant, Dyllon Van Der Rhede from DCAS was on hand to enjoy some of the flying as well as handing out the awards, Boschkloof Wines once again donated a few bottles of wine to the winners and judges.

A great event and a good start to 2022. A BIG thanks to our three Judges, “One knee” Martin, “Hippy” Bernus, “Cool Cat” Kas and “stay calm” Rory for the scoring and not to forget “Road Runner” Craig with a helping hand.
