

# MAGNIFICENT ELEVEN

18 AUGUST

A cold winters morning greeted all the pilots and judges, a slight breeze, the forecast was for the wind to get stronger during the morning but that didn't frighten the eleven entries. (well ten anyway)!!

A great entry for the final league saw André first up in the **Sportsman** class, finding the pressure a bit much with a difficult flight.

Jack next with a good solid flight. Rounds two and three saw André improving all the time and gave Jack a run for his money on the second round, close but not close enough. Round three was won by Jack but only just ahead of an ever improving André.

**Advanced** entries saw a close battle between all pilots but it was really a battle between

Pieter and Rory after the first flight, Rory making some mistakes giving the win to Pieter.

Charlie showed good form with some high 50's and a good 60+ on the third round. Jacques also showed improvement after round one, not quite in the 60's.

All the pilots battling with the wind which made everyone work hard for a

good score.

In the end the Advanced class was won by Pieter, a clear winner ahead of Rory, Charlie and Jacques.

**Masters** class was between the usual five entries. Cobus and Michael with World Cup enthusiasm and maybe a few tips.

The scores where close on round 1, all in the 60's but Stuart flying his new Epic

# WESTERN CAPE AEROBATICS - LEAGUE 8

Evo for the first time showed great promise with a good mid 60 score and round 1 win.

Round two was a close battle between Rodney and Stuart, Stuart now reverted back to his well set-up Astral. Cobus and Michael also very close, Ernie decided to fly his Biplane, just for fun found the conditions tricky for two wings.

Round three was once again a close battle between Rodney and Stuart, Michael had decided to miss this round due to many pilots having to miss landing and go-round for a second attempt. Cobus scored a consistent 62, Ernie once again flying his Biplane improved to a good mid 60 score but in the end it was Stuart who nailed the third

round, the landing and the class win.

Thanks to everyone who took part, thanks to Martin, Kas and Bernus for the time and sitting out in the bitter cold wind.

Ozzie, Johnny and Jacques joined in for a braai and a short meeting (*Johnny didn't get the message*) to discuss a couple of WPMAA matters.

Western Province Champs and SA Masters in October will finish the 2019 season which has been one of the best.
